

Bienvenue à l'Alliance Française d'Albuquerque!

The Alliance Française d'Albuquerque, founded over 60 years ago, is our local, independent chapter of the international Federation of Alliances Françaises, the largest network of French language and cultural centers in the world. With over 800 chapters in more than 130 countries, the Alliance Française is dedicated to promoting French language and culture, and to fostering friendly relations between Francophones and Francophiles of all racial, ethnic, and national origins. The School and the French for Children program admit students of any race, color, creed, sexual orientation and national or ethnic origin. The Alliance School offers courses in French on all levels taught by highly qualified instructors who are native or near-native speakers. This winter, most classes will still meet on Zoom although we will offer select classes in our offices, conveniently located at 2917 Carlisle NE, suites 110 & 211. Minimum enrollment is 4 students; maximum enrollment is 10 students. The textbooks used in each course are available for purchase in our office or may be found online.

Course Descriptions

The Alliance School offers two types of courses conducted in French. Conversational French language classes introduce students to grammar, vocabulary and pronunciation while emphasizing communication. Advanced seminars are for students who have already studied French and wish to maintain or increase their fluency. Our small classes allow for more personalized attention and active participation in a friendly classroom setting that helps students gain confidence in speaking French.
